

For Immediate Release

eRAD, Inc. Adds Over Eleven New Customers in Q1 of 2011

Greenville, South Carolina – May 20, 2011 eRAD, a division of RadNet, Inc. (NASDAQ: RDNT), an industry leader in Web-based RIS, PACS and Teleradiology workflow solutions, announced today the Company has received more than eleven orders from new customers during the first quarter of 2011.

Ranjan Jayanathan, General Manager of eRAD and Chief Information Officer of RadNet, commented, “Sales to new customers, whether large or small, are especially important to us. Not only do these sales represent new relationships that can grow with eRAD’s suite of products over time, but they also represent potential business opportunities for RadNet’s other products and services offered to the imaging industry.”

eRAD’s products and service are available from a number of geographically dispersed valued added resellers, brokers, and/or distributors in the United States and abroad as well as direct from the manufacturer. For a complete listing of local dealers please visit www.erad.com.
