## **eRAD PACS Replaces Siemens PACS at Chicago Area Imaging Center**

**Greenville, South Carolina – Nov 13, 2009** eRAD, an industry leader in workflow solutions through its native web-based RIS, PACS and Teleradiology software platform announced today the installation of eRAD PACS system at Southwest Hospitals MRI Center in Oak Lawn, IL. Southwest Hospitals MRI Center is an affiliate of Little Company of Mary Hospital and Palos Community Hospital. RPS Imaging of Michigan City, IN, a certified eRAD reseller, was the provider of the eRAD PACS system.

“We needed an good alternative to our original Siemens PACS system which was approaching end of life,” according to Joe Coil, Administrative Director.

### **About Southwest Hospitals MRI Center**

Southwest Hospitals MRI Center located in Oak Lawn is an affiliate of two prestigious hospitals on Chicago's Southwest side: Little Company of Mary Hospital and Palos Community Hospital. Southwest Hospitals MRI Center utilizes the latest technology to treat and diagnose a variety of conditions and provides the community with some of the most complex quality MRI studies since 1987.
