## **Bob Pryor Appointed to eRAD Board**

**Greenville, South Carolina – November 14, 2008.** Image Medical Corporation, parent of eRAD Inc., an industry leader in workflow solutions through its native Web-based RIS/PACS and Diagnostic Imaging Information Management Systems, announced today that Robert S. Pryor has been appointed to Image Medical's Board of Directors. Pryor had recently served as President of Agfa Healthcare, Americas with responsibility for Agfa's Imaging and Informatics business throughout the Americas. He had previously held executive positions at Sterling Diagnostic Imaging and in E.I. Dupont's medical businesses. Roy W. Miller, Image Medical Board member and CEO of eRAD Inc. stated: "Bob Pryor is an outstanding individual with a tremendous business acumen and an extensive knowledge of the diagnostic imaging industry. We are delighted to have him join us in a position of such strategic importance."

### **About eRAD**

eRAD® was founded in 1999 and offers a standards-based, web-centric image management solution using leading-edge technology. eRAD PACS web-accessible archive, and workflow solutions are installed in over two-hundred fifty customer sites throughout the USA. eRAD's PACS and RIS solutions integrate full-featured RIS/PACS and image management with workflow tools for hospitals, clinics, imaging centers and physician practices.
